Nigel Tinashe Makumbe

IT Technician | Hardware, Software & Network Support

Harare, Zimbabwe · +263 7885 922 09 · makumbenigeltinashe@gmail.com · linkedin.com/in/nigel-tinashe-makumbe

PROFESSIONAL PROFILE

IT graduate with a National Diploma in Information Technology and 9½ months of hands-on IT support experience in Harare. Experienced in diagnosing and fixing laptop, software and email faults, supporting Microsoft 365 and Office users, maintaining IT equipment and documenting IT processes. Formally trained in hardware, operating systems and networking, with distinctions in Hardware Administration, Operating Systems Administration and Computer Systems Maintenance. Works independently and gives users fast, courteous on-site support.

CORE SKILLS

- **Technical Support:** first-line support, hardware and software troubleshooting, laptop repair, software installation, IT equipment maintenance
- **Systems & Software:** Windows, Linux, Microsoft 365 and Office; network administration (working knowledge)
- **Email & Web:** email administration and configuration (cPanel), Microsoft 365 deployment, WordPress and domain administration
- **Audit & Documentation:** IT controls, audit evidence, information security, equipment procurement, IT process documentation
- **Development:** MySQL, XAMPP, PHP, JavaScript, HTML, CSS, C++, C#
- **Strengths:** problem solving, customer service, communication, attention to detail, working independently, time management

PROFESSIONAL EXPERIENCE

IT Support Intern (Industrial Attachment) — Dereflexion Consulting *3 Nov 2025 – 14 Aug 2026*

Auditing and tax advisory firm

- Provided day-to-day first-line support, diagnosing and resolving hardware and software faults to minimise user downtime.
- Repaired, maintained and troubleshot laptops and other IT equipment; installed and configured software.
- Supported Microsoft 365 installation, configuration and deployment, and assisted users with Office and productivity software issues.
- Managed organisational email accounts through cPanel and resolved email configuration problems.
- Assisted with website (WordPress) and domain administration and routine maintenance.
- Supported procurement of laptops and other IT equipment by identifying, sourcing and acquiring suitable items.
- Worked across Windows and Linux environments with practical exposure to network and database administration (MySQL, XAMPP).
- Assisted with IT audit work: documenting and reviewing IT processes, controls and audit evidence, and worked alongside forensic auditors on technology-related aspects of investigations.

EDUCATION

National Diploma in Information Technology — Kwekwe Polytechnic *Aug 2024 – Aug 2026*

Distinctions in Hardware Administration, Operating Systems Administration and Web Development. Also studied Network Administration, Information Security, Database Administration and Software Engineering.
